UKRAINIAN ORTHODOX CULTURAL TEEN PROGRAM

For Youth - grades 9-12

August 21st to 28th, 2016

Why should you attend?

Culture can give people a connection to certain social values, beliefs, religion and customs. It allows them to identify with others of similar mindsets and backgrounds. Cultural heritage can provide an automatic sense of unity and belonging within a group and allows us to better understand previous generations and the history of where we come from.

Our Mission:

To bring Ukrainian young people together to learn more about their history, culture, and themselves.

Like branches on a tree, our lives may grow in different directions yet our roots remain as one.
