Household Furnishing Program for Skilled Workers from Ukraine by the Ukrainian Canadian Congress – Saskatoon Branch

The UCC-SB Household Furnishing Program was launched in June 2007 to collect and distribute donated household furnishings to immigrant workers and their families from Ukraine who are arriving in Saskatoon under the Saskatchewan Immigrant Nominee Program (SINP). Household items are in definite high demand since more workers are arriving in quick succession during this summer and fall. **We thank those who have already kindly donated and appreciate receiving their excellent household items for these newcomers to Saskatoon!**

Under its Household Furnishing Program the UCC-SB solicits donations from the Saskatoon community of the following: furniture and other everyday needed items for the living room, bedroom, and kitchen.

The top priority is beds, mattresses, couches, kitchen tables and chairs since immigrants move into unfurnished apartments.

All donated items must be clean and in working condition!

The following items are NOT acceptable as donations for this Program:

- Clothing for men, women and children
- Empty cans, jars, bottles
- Bags
- Heavy black and white television sets (small size color and black and white TVs are fine)
- Clothes washing machines and dryers
- Old pictures and mirrors

The UCC-SB appreciates donors delivering their donations directly to its rented storage facility at the corner of Quebec Avenue and 38th Street. Please call 244-8227 to make delivery or pick-up arrangements. Currently UCC-SB volunteers pick up the donations bi-weekly, on Thursday from 2 pm to 5 pm.
